

OLLIE THE OWL ... is a fixture around the John Wentz household these days, and spends his time flitting around the house and back yard. But now that football season is about to begin with the Hondo-Floresville game at Barry Field Friday night, he just might feel akin to the Hondo Owls. Anyway the children of John and Laura Wentz, Jimmy and Kay, feel kinda happy they have a pet that they can "feel is a Hondo Owl football team mascot," around home anyway.

Owls open 1973 season at home Friday

Railway crossing work slated

Some persons around town have begun to wonder "whatever happened to the safety gate devices previously planned for Castro Avenue and Avenue M in Hondo."

State Representative John Poerner has inquired about this project and has submitted the following report.

Dear Burnis:

Pursuant to your inquiry about the protection measures to be

constructed at the two dangerous railroad crossings in Hondo, I called Mr. Farland C. Bundy of the Texas Highway Department in Austin. Mr. Bundy consulted his files in regard to the action taken by the Highway Department and Southern Pacific Railroad Company. Upon returning my call, he gave me the following information which will be of interest to all concerned citizens.

The Texas Highway Department issued a work order to Southern

Pacific on June 25, 1973, authorizing them to begin work July 6, 1973, at the Castro Avenue crossing (U.S. Hwy. 90 to Hondo Municipal Airport). Since all paper work is completed and the construction is financed, it now depends upon the Railroad Company's availability of men to complete the job. The railroad men have begun work on the project, but their orders were altered temporarily.

In regard to the crossing at FM

462 north from U.S. Hwy. 90 (Avenue M crossing), the Railroad Company was authorized to begin assembling materials for the construction of the crossing protection on August 30, 1973. As soon as the materials are assembled, Southern Pacific will request that the Highway Department issue a work order. At such time, the crossing will be constructed. Mr. Bundy estimated that the project would require approximately three months.

I was very pleased to learn that the initial steps have been taken to install gate crossings at these two deadly spots. Hopefully, with the forthcoming safety measures our railroad crossings will be less hazardous.

If I can be of any further assistance, please feel free to let me know.

With kindest personal regards, I am

Sincerely,
John H. Poerner

TERM IT WHAT

... you like, laxity, kind-heartedness or any other term, but actions at the Medina County jail this past week resulted in an episode that could have been tragic for at least seven persons and maybe more.

Since this is not the first time a trusty has helped himself to keys and either left or in this instance helped others to leave the jail, it might demand the County Commissioners Court to establish some stringent rules on who can be a trusty and also when that person is to be allowed to remain out of his cell. He should be locked up when all the deputies or sheriff leave at the end of the day, and not be up talking to a dispatcher [only one on duty] at one o'clock in the morning.

Two Hondo City Policemen and three other residents plus one person in San Antonio, as well as the county dispatcher, can thank their Lord they aren't among the dead today just because someone was trying to be human and trust a man who had proved by his previous actions that he cared nothing for the laws of society nor the people protected by those laws.

Utilizing a trusty to clean up and sometimes cook around a jail is an established practice. It goes on in many of the 254 county jails throughout the state.

But sometimes the selection, like this time here, is wrong and you have an incident.

Sheriff Charles Hitzfelder told me Tuesday, "We will not use a trusty again. If the Commissioners Court wishes to hire a janitor, fine, fine. But this is the last trusty we will use."

DEVELOPMENT

... of rural areas and communities is the one bright hope for tomorrow when it comes to curing the ills of society. Not that we country people do it any better than the city folks, but by the sheer fact that it's a logical thing to do.

Yet, that one fact-logic-might just be the stumbling block in seeing our State government go all out for rural development. Oh, it has begun, and the interim report by the Texas Rural Development Commission points the way toward better things.

This report really has some fine and practical suggestions, but before they can become reality and our urban sickness can be abated, we first must convince the Texas Legislature it costs money and we, the people, are willing to pay the price.

Let's just look at some of the recommendations the Commission made in its interim report [the full report is due on the Governor's desk in October]:

Policies

The Commission recommends the establishment of national and state rural development policies to accomplish the following objectives:

- 1] Give people a choice of where they live by providing attractive employment opportunities, adequate community facilities and services [including health, housing, transportation, and public protection], and a more attractive living environment in rural areas which will create a better balance in the distribution of population.
- 2] Attract new industries and develop existing industries in rural areas.
- 3] Provide relevant educational opportunities for rural residents.
- 4] Provide for the orderly development and protection of the natural environment in rural areas.
- 5] Maintain a profitable agricultural industry as a major element of the rural economy.

Coordination

Focal point: "We recommend the establishment of a committee on rural development in each house of the Texas Legislature."

Leadership: "We recommend the establishment of a permanent organizational structure within the executive branch to: formulate policies for rural development; coordinate and provide information and assistance on all federal, state, and regional rural development activities; monitor and evaluate assistance programs for rural development and periodically make recommendations to improve the delivery and coordination of these programs."

Rural Health

We recommend the Legislature take immediate action in the following areas:

- 1] Develop incentive programs to encourage physicians to locate in rural areas.
- 2] Investigate barriers to the utilization of paramedical personnel.

Last jailbreaker still at large

One man is still at large out of a group of four men and a woman, all accused felons, who escaped from the Medina County Jail in Hondo early Friday morning.

The investigation into the escape of Alfonso Walker, 25, of Cocoa, Florida, has been joined by the FBI following the issuance of two warrants by a San Antonio federal court.

Walker is now sought for unlawful flight to avoid prosecution, and unlawful flight to avoid confinement, both federal offenses.

He was being held in the Medina County Jail, charged with assault with intent to murder when the jailbreak occurred at about 1:30

a.m. Friday, August 31.

Richard Conway Wyatt, 24, of San Antonio, charged with robbery by assault and burglary, was working as a trustee at the jail when he obtained the keys without the knowledge of jailer-dispatcher Ernie Rice. Rice had held the dispatcher job for only six days when the incident occurred. At about 1:15 a.m. as Wyatt was being led to his cell, the other prisoners whom he had secretly unlocked overpowered Rice.

The five then fled in Rice's car. They included Wyatt, Walker, Virginia Anderson, 19, of San Antonio, charged with robbery by assault and assault with intent to

murder in the shooting of Castroville Marshal Frank Hayes; Leonard Freeman, 28, of San Antonio, jailed in connection of a Atascosa County deputy and his wife, and Genaro Segura, 42, a Mexican National charged with murder and auto theft in the death of Erwin Lutz, A D'Hanis rancher.

En route to San Antonio, they took four hostages and stole two more automobiles.

One hostage was Hondo City Policeman Arnold Guajardo, who with partner Gerald Patterson, had stopped the fleeing hostages on a traffic violation. The two lawmen were held at gunpoint, but Patterson was able to escape.

Three other hostages included Larry Grant and Davy Martinez, both of Hondo, and Ramon Fabre, formerly of Hondo was visiting here. They and their car were hijacked by the five near Dunlay.

In San Antonio, the hostages were released, and within 48 hours four of the five prisoners had been put back behind bars.

Explaining the incident, Sheriff Charles Hitzfelder stated that orders were in effect on the day of the break that the jail was to be secured at the 6 p.m. shift change. At that time, all trustees were to be returned to their cells. Investigation is still continuing into the reasons why Wyatt was not behind bars at the prescribed time.

"There are now 253 counties in Texas where jails use trustees from among the prisoners," Hitzfelder noted. "There used to be 254, but Medina County Jail has used its last trustee."

"We will ask the Commissioners Court to hire a janitor to clean up the jail from now on."

Hitzfelder was referring to the fact that the use of prisoner labor in Texas jails is a common and long-standing practice, used almost universally in the state for many years.

Other incidents have occurred in past years where felons have escaped from the Medina County jail.

Enrollment at school reaches 1862

Student enrollment in the Hondo Independent School District now shows an approximate increase of 70 students over last year, Supt. Kenneth Flory announced this week.

"We now have 1862 students enrolled in all classes," Flory said. "This compares to the 1776 first-day enrollment and shows about 70 increase over last year."

A breakdown by class shows these enrollments: Kindergarten -- 117; First -- 192; Second -- 154; Third -- 168; Fourth -- 135; Fifth -- 167; Sixth -- 163; Seventh -- 118; Eighth -- 137; Ninth -- 138; Tenth -- 117; Eleventh -- 114; Twelfth -- 97; Special Education -- 45.

Follow the Owls!

Important Meetings

Chamber of Commerce: noon Monday, Sept. 10
Commissioners Court: Monday, Sept. 10 (public hearing on budget)
City Council: Tuesday, Sept. 11, 7:30 p.m.

Folklife Festival has Medina County flavor

Festival time is fun time and this weekend it will be a gala event for all Texans at the Texas Folklife Festival in San Antonio.

Many Hondo and Medina County residents will be on hand to add a

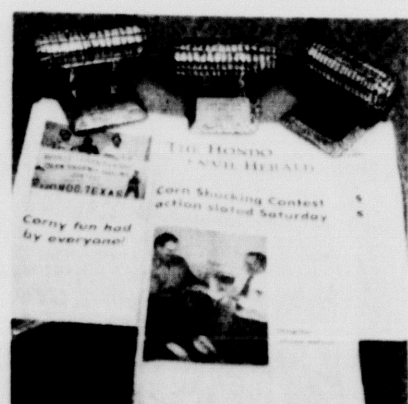

country flavor as they participate in the second annual Folklife Festival that will draw an estimated 100,000 visitors.

Heading the contingent from Hondo will be County Judge Jerome Decker and Commissioner Fred Bader. They are official Ambassadors.

Right behind them will be the three divisional winners of the Hondo World Championship Corn Shucking and Shelling Contest held August 25. They are Charles Halbadier, Mrs. Milton (Lillie) Heyen and Chris Heyen.

The three will take on all challengers at the Folklife Corn Shucking scheduled on the Western Stage at 7:30 p.m. Sunday, September 9. People from Devine, Castroville and rest of the county are urged to challenge them.

And staying around for four days of the fun and frolic will be the 4-H youngsters who man the corn shucking and shelling exhibit. They did it last year and had a wonderful time. And they say: "Everyone's invited to come on over and have the time of your life."

FESTIVAL TROPHIES ... These three trophies will go to Corn Shucking and Shelling winners at the Texas Folklife Festival 7:30 p.m. Sunday, Sept. 9. With the trophies are pictures of the three local champions and County Judge Jerome Decker and Commissioner Fred Bader who are official Festival Ambassadors from Hondo.

Diez y Seis plans outlined for Hondo

Henry Guerra, Jr., San Antonio and South Texas television personality, will be in Hondo on Sunday, September 16, for the colorful Diez y Seis event that is being sponsored at the Hondo City Park by the St. John's Catholic Church.

Guerra is married to the former Mary Ann Noonan, formerly of Hondo. He is with KSAT-TV in San Antonio. He is the President of the Mexican American Friendship Committee of San Antonio, and will represent the Friendship Committee as he serves as the featured speaker and crowns the Queen of the gala event here in Hondo.

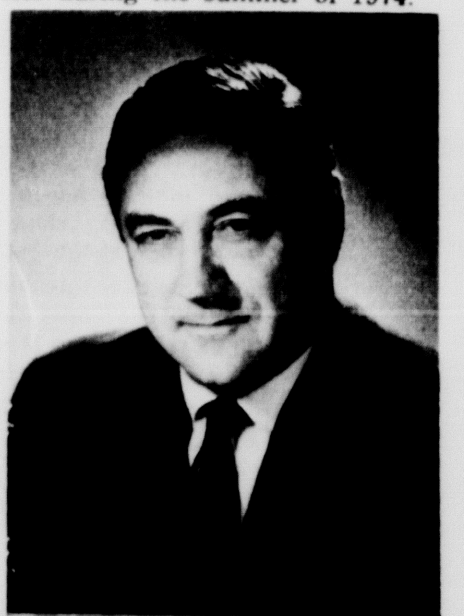

He will give a short talk in both Spanish and English on Sunday evening 16 of September in the Hondo City Park.

Everyone is invited to take part and Father George Stuebben, pastor, announces that admission is free to the park and the events. A free dance will follow the Ballet Folklorico Mexico - Espana under the leadership of the former Vivian Duke of San Antonio and Freddy and the Chicanos will provide the music for the free dance. The popular crowning of the Queen ceremony will be emceed by disc jockey, Armando Gonzalez of Radio Station KRME of Hondo.

Refreshments, games, bingo and a Mexican plate dinner will be served on the park grounds starting at about 4:30 p.m. with the

entertainment starting at 7:00 p.m. "Come out for a good time," invites Father George and everyone else.

Last year the 16 of September Committee presented two scholarships to deserving students that enable them to enter college this September. The event is for the benefit of St. John's and it is anticipated that a sum of money will be set aside for scholarships or for the establishment of a Folk Dance Training course for Hondoites during the summer of 1974.

Henry Guerra, Jr.

Letters to the editor

Gentlemen:
Enclosed find personal check in the amount of \$6.00 for which please enter my subscription to your newspaper.

Although I departed the area almost 40 years ago and have only rarely returned for short visits during that period of time I still have many friends and relatives living there and feel this will be a good way to stay abreast of what is going on in Medina County.

Thanks
Col (Ret) Clemens K. Wurzbach

Mr. Jackson Hinds,
President
United Gas Corporation
P.O. Box 2628
Houston, Texas 77001
Dear Mr. Hinds:
Re: Hondo, Texas

It is a rude awakening to read in the Hondo Anvil Herald of August 16, 1973, that United Gas is curtailing its supplies to some customers in that area by as much as 50%.

Is United Gas aware of the consequences to the economy of that community in reducing industrial deliveries by such an amount? The alleged immediate direct effect will be to put 60-70 persons out of work. This would increase unemployment in the area in excess of 1% of the total population of the City of Hondo -- which probably means as much as increasing unemployment directly by 4% (based on the probability that only 50% of the 6,000 citizens are in the labor

force). This results from the loss of fuel to Universal-Rundle alone!

As you recognize the snow-balling effects, which probably means the loss of one back-up job for each person who is fired because of the fuel shortage, it means that United Gas may put as many as 140 Medina County citizens out of work. Such a figure approaches 1% of the population! Your action thus projects to perhaps double or triple unemployment in the area! These projections are based solely on Universal-Rundle. Closing D'Hanis Brick and Tile Company will be even more devastating to that community.

Is there no way to divert reserves allocated for the Harris County area, which were announced by United Gas to be adequate, to serve fully Medina County, a franchise which I understand has been adequately profitable to United Gas in the past? Surely the excellent management of United Gas is not at fault and is already taking action to remedy the situation. If others be at fault, what appropriate action has been taken against such parties?

Very cordially yours,
Y. Frank Jungman

cc: Mr. Ben Ramsey

Dear Mr. Lawrence,
The summer is gone and we had very good response for our volunteer workers at the museum. Here is a list of some more who volunteered their time for our summer work:

Mrs. Paula Jay, Mrs. Walter Nester, Mrs. Milton Heyen, Mrs. Edgar Stiegler, Mrs. Fred Bader, Marvin Schweers, Mrs. Fritz A. Hartman, Mrs. Melvin Dittmar and daughter Lori, Mrs. H. J. Boehle, Mrs. Nelda Beard, Mrs. Alfred Saathoff, Mr. and Mrs. Albert Saathoff, Mrs. Frank Helvey, Mrs. Floyd Hill, Mrs. J. G. Barry, Mrs. Hugh Meyer, Mrs. Emmet Kollman, Mrs. E. G. Rogers and Mrs. Erna Martin.

Signed,
Ella Oefinger

Chamber Corner

By Lillian Porter
Executive Secretary

We hear this plea all the time!

"Dear Sir:
We plan to have Sabinal's Homecoming Celebration on October 20 this year. This will include a parade at 2 p.m. that will depict highlights in Texas history.

We would be pleased if you would consider having an entry in our parade. Please let us know at your earliest convenience, Mrs. Tom Howard, Parade Chairman."

"Greetings from the Devine Fall Festival:
"You are cordially invited to participate in the

annual event which is slated for Saturday, October 27. Bring your queen and float, marching unit, band, mounted unit, decorated car or any other representation you desire. After the 10 a.m. parade there will be bicycle races for all ages. There will be an Arts and Crafts show and booths serving food and refreshments. Come see us. Leon Humphreys, president of the Devine Chamber of Commerce."

And from up Abilene way we get an invitation to round up some Cowboy Campfire Cooks and get them entered in the first annual International Cowboy Campfire Cook-off. Anyone interested might contact Bill Green at the National Guard Armory.

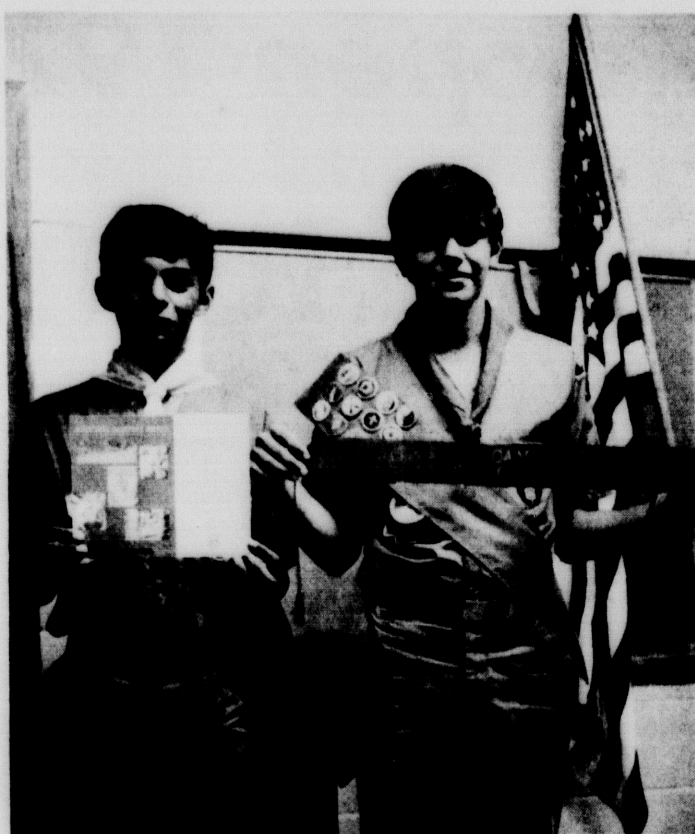

We had contact by mail and phone this week to such places as San Antonio, Sabinal, Austin, Conroe, Tyler, Gonzales, Devine, Bandera, Pasadena (Texas), Moore, Lincoln, Nebraska and Tuscaloosa, Alabama.

Hunting craze! We had three hunting leases listed, had 10 requests and made 42 referrals on leases on hand.

We still need housing! We made two rentals, had four rental requests, made 10 referrals.

Eight persons picked up maps, brochures and cards.

Now to the work on the job application for TEC. We had 4 job orders, 24 new and renewal job applications, 51 referrals to jobs and 7 other job calls. We had 7 calls on National Youth Corp.

AWARDS PRESENTED ... These Scouts hold two awards that were presented to Scout Troop 192 at the Tejas Valley Roundtable. Tony Tellez, left, assistant senior patrol leader of the troop, holds the National Camp Award, which is presented to troops where 60% of the troop participates in 20 days and nights of camping. Richard Herring, senior patrol leader, holds a blue first place ribbon for the spring Camporee. Troop 192 is sponsored by the First United Methodist Church of Hondo.

IN HONDO ... Carl Fain, District Governor of Lions District 2-A-2, center, was in Hondo last week to visit the Hondo Lions Club. Here he listens to Mrs. Lenora Coble, Hondo school nurse, present a talk to members. Hondo Lions President Bill Green is at left. Gov. Fain hails from San Antonio. He also heard reports on the Miss Hondo Contest slated for Saturday, September 15.

Hondo raises over \$700 in Lewis telethon

The spine-tingling finale of the 20-hour Jerry Lewis Labor Day Telethon Against Muscular Dystrophy, which saw an astounding 2 million dollars raised in its closing hours, amazed Jerry himself as much as his estimated 65-million viewers. The final toteboard figure, showing over 12 million dollars pledged, set an all-time record, far exceeding the \$9.2 million raised in 1972.

Jerry's Telethon was seen in the Hondo area over KSTV, Channel 12. Mary Jane Marrs, Telethon Chairman, reported that contributions in the Hondo area totaled \$744. Volunteers from the Order of Rainbow Girls, Hondo Assembly #258 and Tri County Chapter, Order of De Molay manned the pledge phones as well as other tasks necessary to assure a successful telethon.

Speaking from Las Vegas at the close of the network Telethon, Jerry

Lewis said, "I can't believe it -- but it's true. This proves that Americans can work together for the highest good -- saving lives -- the lives of children especially so that they can grow up and be strong and save others. I'm more certain than ever now that we're on the way toward finding a cure for MD -- our researchers have made real progress toward understanding what makes muscles sick -- and this bonanza will help us move ahead a lot faster."

Thanks and thanks again to all you people who joined me in another labor of love this Labor Day. I love you all!"

Thalman adds to Lewis fund

The giant Jerry Lewis telethon to fight Muscular Dystrophy gained some \$150 more Monday at the Labor Day Golf Tournament sponsored by the Hondo Golf Association. Tucker Thalman of Hondo won a set of woods and gave them back for auction for the fund. They brought the fund an extra \$40.

Just prior to that Mrs. J. A. Hutto passed the hat and collected about \$110 for the fund. Her husband J. A. bought the woods.

More about....

Sparks

nel in providing health care services in rural areas.

3) Encourage the Texas medical community to develop, in cooperation with the Legislature, innovative programs to help those areas that have neither hospitals nor medical services available.

4) Investigate application of telecommunication systems and other forms of new technology to provide health care delivery in remote rural areas.

Industrial and Economic

We recommend the Legislature adopt the following types of incentives for the location of industry in rural areas:

1) Provision of necessary statutory and constitutional authority for the state to issue revenue bonds to establish a revolving fund for industrial development in rural areas. [This finance program would be similar to the Veterans Land Program in Texas.]

2) Amendment of the Texas Constitution to make it clear the state and its subdivisions can become a lender or guarantor for economic development. [Such an amendment would make it possible to activate an industrial revenue bond program and the direct loans under the Texas Rural Industrial Development Act.]

3) Amendment of the Texas Rural Industrial Development Act to define rural areas in accordance with the National Rural Development Act of 1972:

"The term rural area is include open country and towns of up to 10,000 people, except that for loans and grants to private business enterprises it includes all areas not within cities of 50,000 or larger and not within immediately adjacent urbanized and urbanizing areas which have a population density of more than one hundred persons per square mile. As for the loans and grants for private enterprise, special consideration must be given to applicants from areas other than cities having a population of more than 25,000.

Vocational Training

We recommend the development of a comprehensive vocational training program for rural areas with job training to be coordinated with current and forecasted demand for skills and a pre-training guidance program to enhance the probability of immediate employment at the end of the training period.

Recreation

We recommend the State investigate the need for the State to issue bonds to finance recreational development in rural areas.

Application to Hondo Area

Each one of these points can apply to Hondo and the Medina County area. We certainly want to maintain and even increase our agriculture economy, but at the same time we need to strive for more industry and expansion of present industry.

I am not saying we want to mushroom into a boom town. Certainly not. But I do feel that Hondo and its immediate area could almost triple in growth and still maintain its small-town attractions to outsiders. We can grow and still be friendly, courteous people who are proud of our town.

Governor Calls Meeting

Gov. Dolph Briscoe has called a meeting for September 23 where Rural Development in Texas will be discussed. It is possible that he will release the final Commission report and appoint a deputy director for the undertaking. County Agent Glenn Bragg and I plan on being there and Larry Oefinger, chairman of the Hondo Chamber of Commerce Industrial Liaison Committee, says he will be on hand if at all possible.

Harmon forecasts

The Harmon Football Forecast, one of the country's most popular sports featur, will appear in the Anvil Herald each week during the 1973 football season, starting this week.

In addition to forecasting the results of some 180 games each week, as well as the New Year's Day bowl games, Harmon will rate the top 20 college teams in the nation each week beginning with the forecast for September 22nd. (If applicable: this National Football League pro selections will also be published each week.)

Starting his 17th year of football forecasting, Bob Harmon has seen the publication of his prognostications grow from three newspapers in 1957 to over 350 newspapers in 1972. His rather fantastic football "snowball" now appears in newspapers of all sizes ... dailies, weeklies, and college publications ... in 47 states.

Harmon uses a formula to arrive at the rating for each of the more than 640 football teams that he follows each fall. The score that is predicted is simply the interpolated difference between the numerical rating of one team and the numerical rating of its opponent.

And, though boasting a college forecasting accuracy equal to any in the nation, The Harmon Forecast makes no wild claims of unbelievable guessing percentages. Harmon has a proven accuracy over the past 16 years of between 75.2% and 77.9%. His pro forecasting average is between 68.3% and 74.2%.

It's always a Matter of Opinion

By Burnis Lawrence

ALCOHOLISM

... was the subject of a recent article written for Airman Magazine by a good friend of mine, Bob Reed. Bob toils in the Creative Division of the Office of Information at Air Training Command at Randolph AFB.

The article contained much interesting and informative material that I would like to pass on, since alcoholism is one of the nation's most serious health, social and economic problems.

What is an alcoholic? Almost everyone has a different opinion, but J. J. Rowan, Assistant Director of the Texas Commission on Alcoholism, has a fitting description:

"He's like a frightened man on a tiger's back--doesn't want to stay on, but is afraid to get off. He can no more cure himself than he could remove his own appendix."

Who is an alcoholic? It is almost impossible to say, but from a bank of accumulated knowledge, data and experience, several generalizations can be made safely about alcoholics:

- * Most have a better-than-normal education and IQ.
- * The majority hold responsible positions.
- * More men than women are addicted [though the percentage of the latter is growing].
- * They are generally members of the upper middle class.
- * They range in age from 15 through 75 years.
- * A typical alcoholic begins to drink socially at the age of 14 1/2 years!

Why do they reach the stage of alcoholism? No one knows. But the Japanese have an old saying that holds some inkling as to why: "First, man takes a drink; then the drink takes a drink; then drink takes the man."

How many alcoholics are there and what do they cost society?

The total figure is unknown but would stagger the imagination. Estimates of the percentage of the American work force suffering from alcoholism range from 5.3 to 10 percent, with alcohol abuse involved in more than 2,500,000 arrests made each year. [Note, these percentages are in the work force. There's no way of telling how many outside the workforce are involved.]

It has been estimated that alcoholism in the U. S. work force--and this includes

the military--will cost our nation \$15 billion dollars this year.

How can we help the alcoholic or would-be alcoholic? The problem requires positive action by both the alcoholic and his friends, family, colleagues and co-workers.

First we must change our "frontier" attitude:

- * Since we deem every man responsible for himself, we demand that he learn to drink. [He realizes that he can't.]
- * We demand that everybody be successful--a shining light. [He considers himself a complete failure.]
- * We insist that every individual be able to do anything and everything by and for himself. [The alcoholic is agonizingly aware that he can't stop drinking.]

Remember: Sermons do no good; appeals to his "better nature" don't work; the "if-you-loved-me-you-wouldn't-drink" bit is absolutely fruitless; and you can call him [or her] a name that he [or she] hasn't already called himself [or herself] when sober--doubled in spades.

But just as he cannot solve his problems alone, neither can you, by yourself, bring about a miracle for him. It's a 50-50 project: Your job is to strive ceaselessly to get the alcoholic to seek help; he will have done his part when he voluntarily takes that first essential step through one of the many open doors and says, loudly and clearly, "I am an alcoholic. Please help me."

And alcoholism can be treated successfully, particularly in the early stages. Some 70 percent of employed alcoholics who have been treated--in clinics, mental health centers, or through Alcoholics Anonymous--are living normal lives again.

If treatment can be started to those showing the first signs of the trouble--even those entering the acute stage--success can almost be guaranteed in 50 to 80 percent of the cases.

But, do consider it an illness that can happen to anyone. Alcoholism, like cancer, is no respecter of persons. So, if we ever begin to "look down" on alcoholics, let's remember the one tenet that has been definitely proven:

"There, but for the grace of God, go I."

Ambulance service approved

Medina County and three of its largest cities are partners in a newly-organized emergency ambulance service, which will go into business January 1, 1974.

Broad outlines for funding and operating the system were hurriedly planned in a special joint County-Cities meeting held Thursday night, August 30 at the Hondo City Hall.

The sudden action was in response to a pair of letters received by the Commissioners Court and the city councils of Hondo, Devine and Castroville last Tuesday.

The first of the letters announced that the ambulances provided by Guinn-Horger, Tondre-Guinn, and Hurley Funeral Homes in Hondo, Castroville and Devine respectively, would cease operations effective midnight, December 31. That cutoff date had been revealed as early as January of this year, and came as no surprise to the gathering.

The firms cited rigid equipment requirements, high labor costs, and political pressures as raising operations costs to prohibitively high levels.

But a second letter was received, signed by all three funeral homes, which gave an ultimatum requiring a subsidy of \$1200 per month per ambulance (or \$3600 monthly total) beginning September 1 for the service to even be continued until December 31.

At the called meeting, County Judge Jerome Decker proposed that the County purchase three fully equipped ambulances, along with radio equipment and maintenance provisions, in exchange for the cities of Hondo, Devine, and Castroville each operating and manning one ambulance and collecting for their services.

If the cities should be unable to break even on the service, the County would either take over the entire operation or subsidize the cities to the extent of their operating losses beginning with the new fiscal year on July 1, 1974.

This offer was similar to an earlier one rejected by the cities, but it contained one important change from Decker's initial County-City cooperation plan: under the first plan, cities would have assumed any losses incurred in the operation of the ambulances.

The offer was accepted by the three cities' delegations, with the stipulation that in July a re-evaluation of the system be made, along with any changes toward County subsidy or total County operation of the ambulances.

In regard to the second letter, the three representatives, together with the Commissioners Court, voted unanimously to write a letter to the three funeral homes rejecting the requested subsidy. The letter was drafted and signed. It reads:

"To: M. Charles Hurley
"To: W. P. Guinn
"We as representatives of the County of Medina and the Cities of Hondo, Devine, and Castroville, will be unable to pay the

requested subsidy inasmuch as there have been no provisions for this unexpected expense. Budgeted monies will be needed to set up the new system.

"We will immediately invite bids on three vehicles to be delivered as soon as possible in order that you may go out of the business of ambulance service by December 31, 1973.

"Respectfully,
(Signed)
Jerome Decker, County Judge.

Opposition to airport site pushed hard by BAM Citizens

With a reported fast approaching decision coming on the selection of a site for San Antonio International Airport, citizens in opposition are intensifying their activities to turn the decision away from Site H and Alternate H in western Bexar and parts of Medina counties.

Meeting Scheduled
A group of Castroville citizens headed by Joe Stovall have made plans for a meeting of the Castroville area to be held Thursday, Sept. 6, in the Medina Valley High School Cafeteria at 8 p.m. The group urges all citizens to attend this important meeting.

Petition Deadline
Deadline for all petitions of opposition to Site H or Alternate Site H is Sept. 10. All petitions must be turned in to Weldon Tondre, petition chairman, or Mrs. George Echtle, Jr. by 12 noon, Monday, Sept. 10. Please call Tondre or Mrs. Echtle if you have

Special movie slated

"Time To Run", a Billy Graham World Wide Pictures production, will be shown in Hondo on September 17 and 18 at the Rave Theater.

"Time To Run" is a movie for people who love. People who more than see movies. People who laugh, who cry, who live the things they see on the screen. People who allow themselves to be touched.

It's a movie for you ... and possibly someone you love. It's an experience to be shared ... together.

Advance tickets are on sale at three churches: First Baptist, First United Methodist and St. Paul's Lutheran. Advance adult tickets are \$1.25 and advance student tickets are 50 cents. They will be higher at the door.

service rates, as well as manpower procurement, will be handled by a committee composed of Judge Decker, the Mayors of each base city, and one alderman from each of the cities, to be designated by the Mayors.

That committee will schedule a meeting soon, probably within two weeks.

Citizens explain the harmful effects, the environmental impact, the noise, pollution and the loss of agriculture land an airport would bring to the area. Guest at the Southwest meeting was Bexar County Commissioner Albert Bustamante. Present at the Lytle meeting was Atascosa County Judge David Davidson.

The Lytle group will be tentatively headed by Mrs. Arthur Garnand and H. C. Buckaloo will head the Southwest group.

Shredding aids soil

"To skin and exhaust the land will result in undermining the days of our children." -Theodore Roosevelt.

The farmer who improves the fertility of his

soil is truly a public servant and will leave more for posterity than he takes for himself.

The beauty of our land is a natural resource. Its preservation is linked to the inner prosperity of the

human spirit." -President Lyndon B. Johnson in Message to Congress on Natural Beauty, Feb. 8, 1962.

County can't pay all

The Medina County budget would be too severely drained by an ambulance service if the county were forced to unilaterally provide the much-needed service to its residents beginning January 1, reported County Judge Jerome Decker in a Thursday night called joint meeting of the Devine, Castroville and Hondo City Councils and the Commissioners Court.

"Presently, the County derives its general fund from ad valorem taxes on property owned in the county.

"This is set at 22% of assessed value on property owned within the county.

"For example, a piece of property assessed at \$50,000 would be taxed on a basis of 22% of that, or \$11,000. Our tax rate is \$1.10 per \$100, or a total of \$121 tax on that property.

"Taxation at this level gathers an annual total of \$290,000 from the county's assessed property value of about \$31 million.

"And this \$290,000 is already budgeted in the general fund of the county. If the ambulance system

ends up costing us \$100,000 per year as some fear it will, we would need to hike the rate to 30% to raise the extra money for the budget to support it.

"Not only would that represent a considerable tax hike across the board, but it would mean that our ambulances will be costing roughly 25% of the entire general fund."

Decker went on to say that the estimated \$100,000 was probably high, but that it would probably

exceed \$60,000. At any rate, taxes in the future will have to be raised if the County goes ahead with its plans to either run or subsidize the system.

Giving the running of the system over to the cities for the critical period between January 1 and the new fiscal year in July will give the County precious time to study the actual costs and provide for enough revenue to finance the system after July, should that be necessary.

Holy Cross pecans win at Gillespie

Holy Cross Church, D'Hanis, exhibited its pecans at the 85th Annual Gillespie County Fair, Fredericksburg, held August 24-25-26. It is the oldest County Fair in the State of Texas.

Holy Cross Church took 1st, 2nd, and 3rd places in the Improved Pecan clusters, and also the first three places in the Native Pecan clusters.

A pint of shelled Improved Pecans, 1972 crop, won 3rd place in the Frozen Food division. The Mahan, Burkett, and Kincaid varieties placed 1st, 2nd and 3rd respectively.

The 1973 pecan crop in Gillespie County is so scarce that only one cluster was exhibited. Exhibitors of the 1972 crop of shelled Improved and Native pecans took the prizes in the Frozen Food division.

The pecans were exhibited by Father Victor Schmidtinsky, pastor of Holy Cross Church. Father Victor's nephew and nieces rode on the Rocky Hill School 4-H Club float that placed 1st in the Parade

Friday morning. Father Victor attended this country school, beginning in 1922, and was a 4-H Club member in 1930 when the 4-H Club Movement was introduced into Gillespie County at that time. The first and only project required was the planting and harvesting and exhibiting of Yellow Dent corn at the County Fair. Father Victor attended many a Gillespie County Fair since his first grade in 1922.

Instead of viewing the Fair Parade this year, Father Victor and his dad went fishing that Friday morning; and, in four hours with two rods and reels each, they caught nearly 60 pounds of catfish at the Premier Catfish Farm near Mason.

The Rocky Hill School 4-H Club exhibit placed 6th in competition with other FFA and 4-H exhibits from the county.

"And God saw every-thing that he had made, and behold it was very good." -Genesis 1:31

Guinns celebrate 25th Anniversary

The home of Mr. and Mrs. W. P. Guinn of Hondo was the setting for an Open House Wednesday evening, August 15, celebrating their 25th anniversary.

Receiving the guests were Mr. and Mrs. Guinn, their son, Russell Guinn, Mrs. Bess Wilson, aunt of Mr. Guinn, and Mrs. Walter Oreschnigg of Kingsville, sister of Mrs. Guinn.

Registering the guests was by Mrs. Minnie Kennington of Devine. The register table was laid with a Chinese linen cloth centered with one red rose in a crystal vase and a beautiful gift of a five-piece silver service.

The bride's table was laid with white linen and white net garlanded with blue satin ribbon and silver.

Punch was served with crystal and silver appointments. A three-tiered cake was decorated with white roses and silver leaves topped with a 25-year silver emblem. The table was centered with an arrangement of white gladiolas, white carnations, silver gypsophila and greenery in a beautiful silver bowl accented with silver candles in silver holders.

The groom's table was laid with blue net trimmed with silver centered with

one red rose in a crystal bud vase with blue candles in silver holders. From this table chocolate cake and coffee were served. The coffee was poured from a silver service.

A silver anniversary money tree, a gift from friends and hostesses, was on a side table. Arrangements of orchids and mums were used throughout the house where over 200 friends registered and visited with the honorees and their friends.

Included in the house party were Miss Patty and Miss Mary Oreschnigg of Kingsville and Miss Dolores Weynand of D'Anis.

Assisting at the serving tables were friends and hostesses. Host and hostesses for the open house were: Mr. and Mrs. J. D. Baker, Mrs. Bert Britz, Mr. and Mrs. Louis Carle, Mr. and Mrs. Lawrence Carle, Mr. and Mrs. John Ciavarra, Mr. and Mrs. Houston Eggen, Mr. and Mrs. Joe Embry, Mr. and Mrs. Edward Hilscher, Mr. and Mrs. Oscar Hairell, Mr. and Mrs. Floyd Hill, Mr. and Mrs. John Healy, Mrs. Ida Jagge and Mr. and Mrs. Jack Landers.

Also, Mr. and Mrs. Joe Mueller, Mr. and Mrs. Vernor Muennink, Mr. and Mrs. John Ney, Mr. and Mrs. Walter Oreschnigg, Mrs. Agnes Oefinger, Mr. and Mrs. Frank Powe, Mr. and Mrs. Greyford Rogers, Mr. and Mrs. Bailey Rogers, Mr. and Mrs. Ferd Rock, Mr. and Mrs. Bruno Schweers, Mr. and Mrs. Eugene Stewart, Mr. and Mrs. Herbert Tondre, Mr. and Mrs. Neal Thurmond, Mr. and Mrs. Charles Tondre, Mrs. O. W. Tondre, Mr. and Mrs. C. T. Woods, Mr. and Mrs. Sam Zerr and Mrs. Bess Wilson.

Martinez infant dies

Patricia Martinez, infant daughter of Mr. and Mrs. Pedro S. Martinez of Hondo, died August 30, 1973 in San Antonio, at the age of one month and twenty days. She was born July 10 in Hondo.

She is survived by her parents, Pedro S. Martinez and Lupe Barrientes Martinez of Hondo; paternal grandparents Mr. and Mrs. Ramalio Martinez of Hondo, and maternal grandparents Mr. and

Mrs. Ramon Barrientes, also of Hondo.

Blessing of the body services were held at Guinn-Horger Funeral Chapel August 31 with Fr. George Steubben of John's Catholic Church in Hondo officiating.

Interment was in Guadalupe Cemetery in Hondo, with graveside services there held August 31.

Funeral arrangements were by Guinn-Horger Funeral Home, Hondo.

Jane Briscoe

Governor's daughter to wed

Governor and Mrs. Dolph Briscoe today announced the engagement of their daughter, Jane, to Edward Vaughan of Hillsboro, Texas.

Mr. Vaughan is the son of Mr. and Mrs. S. J. Vaughan, III of Hillsboro. Miss Briscoe is a graduate of Uvalde High School and a 1972 graduate of the University of Texas where she majored in secondary education and was a member of Zeta Tau Alpha Sorority. She was presented by the Martha Washington Society in Laredo, made her formal debut in New York in 1970, and was duchess to the San Antonio Fiesta, the Buccaneer Days of Corpus Christi, and the Austrian Ball of the Silver Rose in Vienna.

Mr. Vaughan is a graduate of the Hillsboro public schools and a 1971 graduate of the University of Texas with a BBA degree in finance. He was a member of the Sigma Nu Fraternity. He is currently a junior law student at St. Mary's University in San Antonio.

The wedding is planned for December 29, 1973, at the Governor's Mansion in Austin.

Mrs. Patterson of Lytle dies in Baytown

Mrs. Anna Lou Patterson, 57, of Baytown died August 30, 1973 in the Gulf Coast Hospital of Baytown.

She is survived by her husband, Andrew J. Patterson of Baytown; a daughter, Naomi Davidson of Lytle; her mother, Mrs. Frank Whitehead of Lytle; brothers, Melvin Terrell Whitehead of Lytle and

Jimmy Lee Whitehead of San Antonio; three grandchildren, and three great-grandchildren.

Services were held Saturday, September 1, at the Lytle Church of Christ.

Interment was in Lytle Cemetery under the direction of the Tondre-Guinn Funeral Home of Castroville.

Mr. E.C. L. Ihnken dies in Houston at 46

Eric Leonard Ihnken, 46, died in Houston Monday, September 3, 1973.

He is survived by his mother, Mrs. Blanche Glover of San Antonio; daughters, Mrs. Milton Hoffman of Castroville, Mrs. Clifford L. Gottman of San Antonio, Mrs. Randy R. DeVore of Houston; sisters, Mrs. Walter Zimmerman and Mrs. W.

N. Pate, both of San Antonio; and six grandchildren.

Rosary was held September 4 at St. Louis Catholic Church, Castroville, with funeral mass Wednesday, September 5, at St. Louis Church. Rev. Larry Steubben, pastor of St. Louis, officiated.

Funeral arrangements were by Tondre-Guinn Funeral Home, Castroville.

Here in Hondo

Mr. and Mrs. Wilkes Wiemers have returned from White Sulphur Springs, New York, where they visited Mr. and Mrs. Walt (Doris) Egler and sons, Keith and David.

While there, they visited the Baseball Hall of Fame in Cooperstown, New York, as well as Niagara Falls, Toronto and Ontario Canada, and the Thousand Islands.

Mr. and Mrs. Jimmie Rogers and daughter, Susan, and Mr. and Mrs. Fred Schueling and their daughter, Connie, were in Lubbock a couple of days last week. Both Susan and Connie are freshmen at Texas Tech this year.

Art League meets

The Hondo Art League will meet Monday, September 10, at 7:30 p.m. in the City Auditorium.

Guest speaker at the meeting will be Octavia (Dutz) Davis, formerly of Hondo and now of San Antonio.

Miss Davis writes children's stories and illustrates them herself. Four of her stories have been published. She also illustrated a book of poems.

She was an elementary school teacher until she retired in 1972, and now she is interested in the art of puppetry. She has made stages and dolls, and she writes all the plays herself.

This week

All she wrote

by Edna McDade

Waterspouts and tornado funnels have been giving daytime previews and an occasional tornado warning is issued. I'm in no hurry for a hurricane although the season for such is upon us.

Ah, well . . . "The weather is always doing SOMETHING . . .", as Mark Twain wisely admitted.

Mystery stories have long been known as who-done-its. In a dictionary "New words in today's news" supplement [issued Spring, 1951] I found two additional descriptors for such stories:

WHYDUNIT, noun, a mystery story in which emphasis is placed upon the psychological reasons for the crime.

HOWDUNIT, noun, emphasis placed on method by which crime is committed.

However, it will take more than three "definitions" to interest me in trying to solve the mystery of who did it, why, and/or how. I can never follow the clues in the first place and care less about the unraveling procedures. Denouement is a word I did learn to spell in time to win a fifth grade spelling match once upon a time.

A letter from the JIM MENKEs carried a new [to me] San Antonio address. Said Doris, happy to be nearer Hondo, "Needless to say we are glad to be back in God's Country again."

Mildred Burt, Lobby Landers, Louise Liebold and Ellen Schmidt must have made the party honoring Mary Ruth Cameron a real success.

I read all about it in a San Antonio paper and heard from several of the honoree's friends who were among-those-present. One described MR's corsage which featured the "tools of her trade". It will probably stir nostalgic memories now and then - not to the extent of making the wearer willing to relinquish the freedoms of retirement -- when she finally gets around to enjoying them.

Always to be found however the action and the need was, MR's good deeds must have kept her Recording Angel busy entering credits in her personal ledger.

A mutual friend described her thus, "That gal has more heart than brain. She never knows when to take time to take care of her own self!"

Two Texas A&M scientists who have been experimenting with antelope in meat menus claim the 'lope is better than beef. Now let's hear the "beefs" from the beef eaters.

Nilgai antelope [originating in India] are running the range in at least 12 Texas counties from the Valley north to the Edwards Plateau and estimated to include about 4000 head.

Among my joy-to-know friends in Hondo is GEORGINE DECKERT. She is Miss Efficiency at the United Gas offices but she might not pass a test as judge of hair sprays.

At least twice, she confesses, when she was just before being late for a Wesleyan Guild meeting she grabbed what she thought was her favorite curly locks fixative and . . . arrived at the meeting just in the nick of time, accompanied by the unmistakable "fresh scent" of a spray disinfectant guaranteed, so the label says, "to prevent mold and mildew."

Conscientious objectors to the use of the telescoped Ms [to fool some of the people some of the time] might find some semblance of solace in this item clipped from the week's news:

"Mrs. comes back in style at the National Association of where it stands for manpower revenue sharing."

It figures. Times were [and hopefully still are] when many of "Mrs." was content to share in the revenue earned by her own man-power as head of the household.

Namesakes can pose problems. In Brazil, when a transport boss named his donkey after a singer of popular music because "he sounds just like my donkey when he brays", the singer filed criminal charges.

Among the singer's complaints was that an "admirer" had sent him five pounds of hay -- anonymously, of course.

Mr. & Mrs. Gary Schulte marry in Nebraska

Miss Stephanie LaVonne Bohlke and Gary Wayne Schulte were united by Rev. Cliff Bullock at the United Methodist Church of Kenesaw, Nebraska on August 4.

Reverend Ray Boyer assisted in the double-ring ceremony.

The bride's parents are Mr. and Mrs. Lloyd Bohlke of Kenesaw. Parents of the groom are Mr. and Mrs. James Schulte of Grand Island, Nebraska, formerly of Hondo.

The couple will make their home in Lincoln after a wedding trip to the Ozarks.

Mrs. Schulte is a 1971 graduate of Kenesaw High School and will be a junior at Nebraska Wesleyan where she is majoring in music education.

Schulte is a 1971 graduate of Grand Island High School, and will be a junior at Nebraska Wesleyan. He is studying psychology and is planning to attend seminary. They will both be employed as pastoral assistants at the Waverly Methodist Church.

Mrs. Gary Wayne Schulte

Natalia & Chacon Lake News

Reverend and Mrs. Mickey Hurry, Jamie and Brian from the Southwest Texas Children's Home near Beeville came Sunday morning for the day with Rev. Hurry's parents, the A. D. Hurrys, and Rev. Hurry was guest speaker for both services at the Natalia Baptist Church. The Hurrys also had as their guests for the day, her parents, Mr. and Mrs. A. D. Parr of Waelder, and their daughter, Mrs. Barbara Hurry Jones, Devine, and their son, Harold Hurry, teacher and student at the University of Houston. Steve Jett, San Antonio, joined the group for dinner and the afternoon.

Mr. and Mrs. Curtis Noblitt and Ruth left Saturday to return to their home in Peris, Calif., after having visited since Tuesday dividing time with their brothers and sisters in law, the J. W. Noblitts, the R. B. Stanfields, the Lawrence Stanfields and his sister and family, the J. R. Waddells and Judy. Mr. and Mrs. Ray Neyland, Sharon, Bernadine and Mr. and Mrs. Randy Thompson attended the 8 p.m. wedding Saturday of Mr. Neyland's nephew, Donald Neyland, and Diane Staffig at the Shepherd King Lutheran Church, San Antonio.

B. M. Estes, who had eye surgery on Tuesday at

the Baptist Memorial Hospital, and released Friday morning to convalesce at his home, is up and about attending to business.

Mrs. Reynaldo Alvarado was dismissed from the Pleasanton Hospital Wednesday to convalesce at her home from injuries she received in a car and truck collision early Sunday morning, Aug. 12, in which wreck Mr. Alvarado was killed.

Reverend and Mrs. Franklin Pullin, Gregory, Lisa and Jeffrey motored to Houston Friday evening for the weekend with her parents, the R. P. Summers.

Mrs. Martha Morales was admitted to the Villa Rosa Hospital Friday for treatment.

The A. J. Saldanas and Ralph visited the Joe Silvas in Stockdale Sunday afternoon.

Johnny Velasquez had the cast removed from his left arm at Bexar County Hospital Friday, where Mrs. Velasquez is a patient convalescing from a broken leg, cuts and bruises she received in a car wreck, Aug. 12. He and Mrs. Lupe Navarro and her son, Arthur Navarro, accompanied the Velasquez children, John and Rene, to the hospital Saturday afternoon to visit their mother.

The W. M. (Bill) Linthicums had as their house guests from Tuesday until Wednesday afternoon their grandson, Skipper Hedgpeith and Miss Fannie Wright of Robstown. The Linthicums had as their recent guests, her sister and brother-in-law, the A. P. Smiths from San Antonio.

Mrs. Erich G. Linnartz and her sister, Mrs. Louise Chase, Leon Springs, motored to Pasadena, Texas Saturday morning for the weekend with the Dan Turners. Mrs. Turner is the former Ppatsy Linartz.

John Edward Law, student at the University of Texas, came home Friday for the week with his parents, the John T. Laws, and the threesome had lunch Saturday with Mrs. Law's mother, Mrs. Erna Harbort, San Antonio.

Mr. and Mrs. Clyde R. Marsh, Houston, arrived Sunday evening for a few days' visit with his parents, Mr. and Mrs. J. R. Marsh.

Owen of Devine dies at 78

Jesse B. Owen, 78, died August 27, 1973 at Brown's Nursing Center in Hondo.

Born October 13, 1884 in Hays County, Texas, he lived in Devine until shortly before his death. He had lived in the Devine area most of his life, and was a retired stock farmer.

A veteran of World War I, he was a member of the Baptist Church of Black Creek. He is preceded in death by his parents, William B. Owen and Fannie Lou Black.

Survivors include his wife, Mary Moss Owen of Devine; brother, Cecil Owen of Tahoka, Texas; and three sisters, Mrs. Emma Love of Hondo, Mrs. Ora Blackburn of Uvalde, and Mrs. Vivian Cavender of La Pryor.

Funeral services were held August 29 at the Black Creek Baptist Church, the Rev. Ivy Miller officiating.

Interment was in Evergreen Cemetery of Devine, with military graveside services by his fellow World War I veterans.

Serving as pallbearers were Alfred Brucks, Gus Weynand, Emil Bohmfalk, Arthur W. Jastrow, Dewey R. Verona and Guido Richter.

Richard McWilliams

McWilliams honored in Ill

Richard L. McWilliams, Administrator of the Southmore Hospital & Clinic recently became a member of the American College of Hospital Administrators at Convocation Ceremonies in the Grand Ballroom of Chicago's Conrad Hilton Hotel.

The announcement was made by William N. Wallace, Chairman of the ACHA, a professional society comprised of 9,500 of the leading hospital and health care administrative personnel in the United States and Canada. Mr. Wallace, President, United Hospitals, St. Paul, Minn., presided at the ceremony.

The event marked the opening of the society's 38th annual meeting, traditionally held concurrently with the American Health Congress. The ACHA advanced approximately 100 Fellows and 450 Members, and admitted 650 new Nominees.

McWilliams is the son of Mr. and Mrs. Fred McWilliams of Hondo and brother of Glenn McWilliams.

Mr. and Mrs. Ted Shults

Keilman-Shults vows said

Katie Keilman, daughter of Mr. and Mrs. V. R. Keilman, and Ted Shults, son of Mr. and Mrs. H. M. Shults, were wed in holy matrimony on Saturday, August 4, 1973 at three o'clock in the afternoon at St. Joseph's Catholic Church in Devine.

Matron of honor was Mrs. John Willms of Big Foot and bridesmaids were Josie Blatz and Susie Shults of Devine. Best man was John Willms of Big Foot. Groomsmen were Victor Keilman of Hondo and Kit Herrington of Beaumont.

Flower girl and ring bearer were Lynnette Willms and Mike Shields.

The bride's gown was an empire waist dress made of 100% nylon lace overlaid on Italian peau. It had a high neckline with short puffed sleeves trimmed with small white covered buttons on the bodice and a white bow draping down in the front. Her headpiece was a short veil made of illusion trimmed with tiny pearls.

The bride's attendants wore pastel colored full-length dresses composed of blue, pink, green and yellow checks with solid colored ribbon covering the empire waistline. On

their heads they each wore a different pastel colored floppy hat with matching

ribbons around the hat bands. They carried bouquets of pastel colored ribbons and sprayed carnations with baby's breath.

Ushers were Mike Carr and Gary Smith, both of Devine.

The organist, who was Mrs. Arthur Ehlinger, sang "We've Only Just Begun," and "The Twelfth of Never."

After the wedding ceremony everyone went to the church hall for the reception. Servers at the bride's table were Beth and Janet Lessing. The table was covered with a satin tablecloth with white net over it and the centerpiece was made of pastel sprayed gladiolas and carnations.

The groom's table was covered with a beige net tablecloth and the centerpiece was an artificial arrangement. Sharon Bohlen of Dunlay and Edith Neuse of Marion served at the groom's table.

Kay Ehlinger of Devine attended the bride's book.

Rice bags were passed out on silver trays by the bride's nieces, Teri and Mary Willms.

After the reception, the bride and groom left for a three-day honeymoon in Sa Antonio at the El Tropicano Hotel.

The couple is now residing at their new apartment in San Marcos. Katie has attended Uvalde Junior College and Ted has attended Steven F. Austin and SWTSU at San Marcos. Both plan to attend SWTSU in San Marcos.

Former New Fountain resident dies

Pomona, [Calif.] - Mrs. Annie Grunewald Baker of 2350 Culver Court, died Saturday night, August 22, 1973, in a Pomona convalescent hospital.

Mrs. Baker was born February 14, 1882 in New Fountain. She came to Pomona from Phoenix, Arizona 54 years ago. She was a member of the Trinity United Methodist Church.

She is survived by a sister, Mrs. Mary Grunewald Bailey of Pomona, several nieces and nephews.

Funeral services were held Tuesday, August 25, at Todd Memorial Chapel in Pomona, and burial was in Pomona Cemetery.

Brucellosis Meeting to be held in San Antonio

Cattle producers in Medina County are urged to attend a meeting in San Antonio on September 6 regarding upcoming new regulations on brucellosis testing.

The meeting will be at the Burbank High School Auditorium at 8 p.m., announces County Extension Agent Glenn Bragg.

A veterinarian with the Texas Animal Health Commission will be on hand to inform producers of pending changes in the present brucellosis regulations. Comments and feedback are being invited

4-H Rifle Club Meeting held

The Hondo 4-H Junior Rifle Club held its first business meeting of the year.

Children were organized into groups and told about a Hunter's Safety Course which will be offered soon. There is no charge for joining the group, but there will be no credit on shells.

The Wednesday night group is to include Hank Muennink, George Wernet, Lesley Muennink, Brian Bader, Brett Bader, Scott Bader, Monte Bippert, Darrell Krenmueller, Kyle Landers, Gary Morin, Ronald Morin, Scott Saathoff, Ross Sandusky, Gary Shadwick, Gary Stanga, Jerry Stanga, Jessica Muennink and Tobin Nations.

The Thursday night group will include Chris Cole, John Kalinowski, Kay Martin, Nancy Martin, Keith Saathoff, Rodney Shadwick and Jay Wipff.

--Nancy Martin, Reporter

from producers and a statewide hearing on the new regulations will be held in Austin on September 18.

The new brucellosis testing program is expected to begin October 1 and is designed to eliminate the cattle disease from Texas, thus allowing the state to be declared Certified Brucellosis Free.

For all cattle producers to benefit from the new testing program it is important that they become familiar with the new regulations. Thus, the upcoming meeting on September 6 will provide an opportunity for producers to learn about the new plans for brucellosis testing.

A statewide Brucellosis Hearing will be held at 9 a.m. on Monday, October 1, 1973, in Room 117 of the Sam Houston State Office Building, Austin.

ENSIGN Richard G. Beem, son of Mr. and Mrs. Autry Beem of Star Route, Hondo, soloed a Navy T-34 "Mentor" aircraft at Training Squadron One, Naval Air Station Saufley Field, at Pensacola, Florida. He is a 1967 graduate of Hondo High School, Hondo, and a 1972 graduate of U.S. Naval Academy, Annapolis, Md.

Catholic Convention set

A meeting of the Southwestern District of the Catholic State League of Texas will be held in Holy Cross Parish, D'Hanis, on Sunday, September 9, beginning with Benediction at 2:30 p.m. in the Church and the meeting to begin at 3 p.m. in St. Dominic's Hall.

The meeting will be presided over by Joe W. Steidle, Castroville, president of the District.

Invitations have been sent out by Mrs. William Arnold Saunders, Devine, secretary of the District, to all affiliated societies of the Catholic State League, which includes the Men's Section, the Women's Section, the Catholic Life

Insurance Union, and the Youth Section. The affiliated societies are located in the Hondo Deanery which embraces the communities of Hondo, Castroville, LaCoste, Lytle, Natalia, Devine, and D'Hanis, and all of San Antonio.

Members and non-members of other groups, and the general public are invited. The main speaker for the Convention will be the Rev. Albert George Henkes, Boerne, Grand Spiritual Advisor of the Catholic Life Insurance Union, with headquarters in San Antonio and with branches in the local area.

Besides ordinary business, Lawrence Rothe, D'Hanis, will speak about and show the new ten-minute color sound film on the Edwards Underground Reservoir. Rothe is a member of the Edwards Underground Water District which produced the film. A social hour is to follow the meeting. The Parishioners of Holy Cross Church and its pastor, the Rev. Victor G. Schmidt-zinsky, invited the public to the meeting and program.

Here in Hondo

Mr. Leo Usry, formerly of Hondo and now residing in Harlingen, has returned home after having open-heart surgery at the St. Luke's Hospital in Houston.

He is recovering nicely. His wife, Cora, and two daughters, Mrs. Jean Ingendorf and Mrs. Carol Schoellman, have returned home to Hondo after being with him during his ordeal.

FFA News

Elected officers of the FFA Co-Op program at Hondo High School were (Group 1) President Larry McWilliams, Vice President Bill Bendele, Secretary Jack Martin, Treasurer Jeff Day, Reporter Koby Sandusky, and Sentinel Bobby Tschirhart. Group 2 officers are President Louis Schmidt, Vice President Duane McCartney, Secretary Joe Martinez, Treasurer Steve Hanemann, Reporters Richard Lewis and Allen Trisler, and Sentinel Allen Reed.

The groups voted to purchase five barrows. Also planned by the Chapter are sales of seat cushions at home football games, and holding a dance.

Mary Ethel Corder returns

Monday, August 27, Miss Mary Ethel Corder became an Instructor at the Defense Language Institute in the English Language Branch at Lackland Air Force Base in San Antonio.

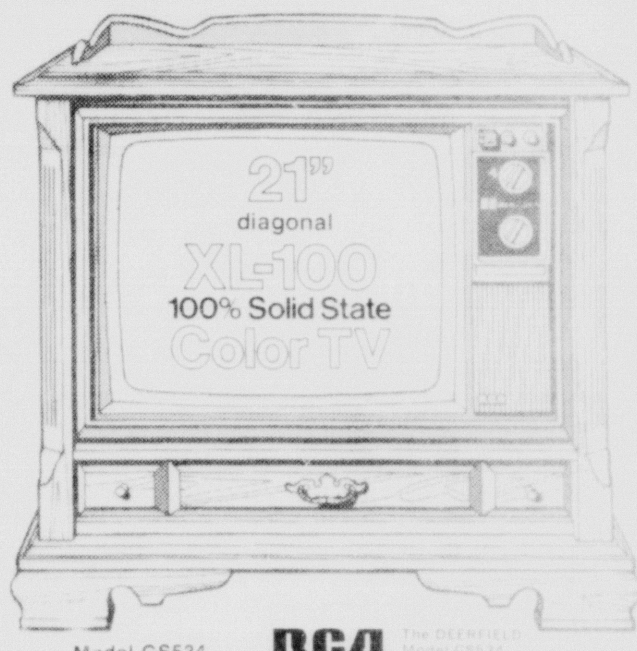

The Defense Language Institute is under the Department of Defense and the Army. Foreign military personnel from all over the world study the English language at the Institute.

Miss Corder graduated from St. Louis High School, Castroville, in 1959. Degrees in English, history, speech, education, and drama from Our Lady of the Lake College and St. Mary's University and several years of teaching experience give Miss Corder a good background for this position.

After teaching in Hondo, Yancey, and Providence High School in San Antonio Miss Corder worked at the Naval Academy and the Naval Research and Development Center in Annapolis.

Miss Corder has just returned from Seattle where she worked for a shipping company, taught reading at the Indian Reservation, and in her spare time became an official Square Dancer. A firm believer of Country and Western music, Miss Corder helped get KRME off to a good start.

Making her home in Hondo again, Miss Corder says that it is wonderful to travel in different parts of the country but it is great to be back in the Lone Star state!

FRIDAY — Fish Sticks, Tartar Sauce, Cat-soup, Macaroni w/Cheese, Peas & Carrots, Orange Juice.

All menus include bread and milk.

Cardinals are Hill Country Champs

The D'Hanis Cardinals won the Championship trophy for the Hill Country Baseball League Sunday with a 7-2 victory Sunday over the Medina Valley 90's.

The game was the second of the two-of-three series to determine the champion. D'Hanis had won the opener last week at Castroville, defeating Medina Valley 4-2.

Walt Rothe had a great game for the Cards, pitching seven and two-thirds innings of no-hit baseball and drilling a towering solo home run in the fourth inning for the first run of the game. He finished the game with a one-hitter.

The 90's scored in the eighth as Rothe walked Ducos and Groff. As Glynn Tschirhart came to bat with two outs, he rapped a triple to score the two runs. Tschirhart's hit was the only hit of the game for 90's.

The Cardinals had a big inning in the sixth as leadoff batter John Zinsmeyer walked, then scored on a triple by Greg Rothe. Later, Rothe scored on a sacrifice fly by Walt Rothe. With two outs, Charlie Rothe and Chris Finger had back-to-back singles. Ray Bendele drew

a walk, and John Bendele singled. Charlie Rothe and pinch-runner Spencer Burrell brought the score at that point to 5-0.

In the seventh, Greg Rothe rapped a single and Rusty Attaway reached base with a fielder's choice. Both scored as Charlie Rothe singled and the right fielder made an error. That ended D'Hanis' scoring at 7-0.

Leading hitters for the Cardinals were Greg Rothe with three, Charlie Rothe with two, and Walt Rothe. John Zinsmeyer, Chris Finger, and John Bendele with one hit each.

Winning pitcher was Walt Rothe, and Chris Keller was credited with the loss.

The Cardinals had finished in a tie for third place during the regular season, barely qualifying for the playoffs in a double-header elimination among D'Hanis, Fredericksburg, and the 90's.

From there, the Cards forfeited the opening play-off game against league-leader Boerne, then won two straight from them to gain the finals. Two more victories against Medina Valley brought the title to D'Hanis.

Medina Valley had been the League Champion in 1972.

HILL COUNTRY CHAMPIONS ... Shown with the Hill Country League Trophy and a ceremonial Square Bat made in honor of the game with Medina Valley are the D'Hanis Cardinals. Front row, left to right are Rusty Attaway, Greg Rothe, Johnny Zinsmeyer, and Albert Ludwig. Back row shows Ray Wolff, Walt Rothe, Charlie Rothe, Ray Bendele, Chris Finger, Chuck Burrell and Tom Rothe. Not shown are John Bendele and Rick Rohrbach.

D'Hanis opens season Saturday against Sabinal

D'Hanis opens its 1973 football season Saturday night with a home game against neighboring Sabinal's Yellowjackets. The game will start at 8 p.m. at D'Hanis High School.

With eight starters back on both offensive and defensive units and 14 lettermen from a 4-6 1972 season, the Yellowjackets rank high in the 30-A pre-season polls. A coaches' survey in their district ranked them second to Lytle.

D'Hanis Cowboys have one consolation. One of those six defeats in 1972 for the Yellowjackets came at the hands of D'Hanis, a 28-0 shutout that saw D'Hanis capitalize on numerous Sabinal fumbles.

Two Senior quarterbacks will face off in the Saturday game. Bobby Joe Rothe guided the Cowboys to their district 14-B championship last year as a Junior, and he will be back, along with his partner Eric Rothe, also a Senior and also a

capable quarterback. The Jackets have Terry Pepper at the helm, who as a Junior, threw for over 1,000 yards.

According to D'Hanis coach Clayton "Butch" Woolls, Sabinal "will be ready for us". Their performance against the Hondo B-Team, whom D'Hanis is also scrimmaged, overshadowed the D'Hanis squad's showing.

Now it's up to both teams, in the performance that really counts -- Saturday night's.

Action light but Harmon begins

Only a handful of major college football teams will see action this Saturday, but it will be "huge - butterflies - in - stomach" and a new start for at least five schools. Long Beach State, Drake, Fresno State, Lamar, and Texas at Arlington have all been reclassified by the N.C. A.A. They've been moved up from the ranks of college division football, and have been given major status.

The major attraction of the weekend, of course,

will be the TV game of the day in Lincoln between Nebraska and U.C.L.A. We ranked the Cornhuskers fifth in our final ratings last fall ... the Bruins, 13th. Naturally, the Uclans would like nothing better than to duplicate their 1972 upset of Nebraska, and because of the Huskers' graduation losses, it's possible. However, we're going with the Cornhuskers by 7 points. This would be Nebraska's first-in-history win over U.C.L.A.

Powerful Delaware, #1 in all polls in college division ranks in 1972, meets Akron in its 1973 season opener. The Blue Hens who rejected all post-season bids last November, will be heavy 22-point favorites over the Zips from Ohio. Drake University, meets a toughie in West Texas ... Drake is only favored by 5 points. Texas at Arlington faces North Texas State, and the Mavericks should win it by ten.

BACK THE OWLS Against FLORESVILLE

HONDO GOLF TOURNEY FLIGHT WINNERS

Owls look to season opener

Scrimmaging Boerne on Friday night, the Owls seemed to settle into a business-like, steady team, solid for a pre-season squad.

They again held their opponent scoreless, allowing only 109 yards in 52 Boerne plays.

The offensive squad showed a balanced attack on the first string, but a less-than-ideal mix by the second team.

The first offense compiled 238 yards in 32 plays. Of that, 116 yards were gained in five com-

pleted passes out of 12; and another 122 resulted from 20 rushes. Average yardage was 7.4 per play.

The second squad had less luck at passing, completing none of four attempts. Rushing they gathered 86 yards in 16 plays for a 4.3 average.

Once again, the spirit of the Owls pleased the coaching staff, with players sharing responsibilities and showing real team work.

After looking good in the two controlled scrimmages, the Owls will show

their mettle tomorrow night in an all-out, no-holds-barred game for the first time. If they show the same kind of spirit, it should be quite a game.

District 29-AA champion in 1972, the Floresville Tigers are little changed for '73.

Many names are different on the roster, as only one offensive and two defensive starters return. Gaylon Pelech is gone this year, but back are two brothers who put on a pretty good running Act. Watch out for Lonnie and Carlos Matthews. Carlos is billed as potentially all-district, while brother Lonnie is marked as a "Fine young prospect" by

San Antonians win in Hondo Golf Tourney

Two San Antonians tangled in the championship playoffs at the annual Labor Day Golf Tournament in Hondo and Jim Chapman came out the winner 3-2 over Ricky Goerges.

Other winners in the three-day tournament sponsored by the Hondo Golf Association included: First Flight -- Blanton Taylor of Hondo beat Curtis Neice of San Antonio, 1 up in 20 holes. Second Flight -- Bruce Reed of San Antonio beat Blackie Williams of Hondo.

Third Flight -- Cliff Sadler of Hondo beat Joe Venzuela of Hondo, 1 up. Fourth Flight -- Ralph Butler of San Antonio

beat C. McDaniel, Sr. of San Antonio, 3-2.

Fifth Flight -- Bill Brewer of San Antonio beat Tucker Thalman of Hondo, 5-4.

Sixth Flight -- Bob Johnston of San Antonio beat R. Campos of Hondo.

Seventh Flight -- Keith Burson beat P. Ramirez. In the Consolation Division winners included:

Championship Flight -- Jim Macnak; First Flight -- J. McCormick; Second Flight -- Paul Glowka of Hondo; Third Flight -- Bill Higbe; Fourth Flight -- Jim Dugan of Hondo; Fifth Flight -- Albert Lopez; Sixth Flight -- C. Renfro; and Seventh Flight -- Alex Quintanilla.

Jim Chapman and Ricky Goerges

Recreation Program reported successful

A highly successful summer recreation program was operated in Hondo this summer with a 62 average daily attendance from the 194 children registered, according to a report submitted by Mrs. R. V. Stanga, committee chairman.

James Bohls served as director of the seven week program and he was assisted by Mrs. Barbara Bohls.

The recreational activities provided were box hockey, badminton, ping pong, checkers, jacks, dominoes, four square, basketball, volleyball, washers, horse shoes, softball, jump rope, three on a line, dodge ball, and coyote (a board game).

In the arts and crafts program some 77 children registered and they worked on such items as: ice cream stick picture frames and pictures, Father's Day cards, newspaper pictures, pencil holders and letter holders, paper weights, pot

holders, copper pictures, plastic key chains, egg carton flowers, planters and vases for flowers, decopague plaques, tempera painting, cloth color collages, picture sandwiches (wax paper), leaf painting, construction paper picture, plaster paris garden bouquet plaques, play dough modeling and construction paper place mats.

Four tournaments were held on Fridays during the program in box hockey, badminton, ping pong, horseshoes, washers. In these tournaments small trophies were presented to first place winners and certificates of achievement were awarded to second and third place winners, all according to age brackets.

In commenting on the program, Mrs. Stanga said in her report: "We, the leaders for 1973, felt that this Summer Recreation Program was a very good one. The attendance did begin to lag after about four weeks, as many of the children began to go to Bible school, camp, swimming lessons or others did not seem to enjoy getting out in the heat. Perhaps a six weeks program would be long enough for most of the participants."

The report to the City Council continued: "We tried to place a great deal of emphasis on playing fairly and by the rules of each game. Most of the children were very good sports. There was no discipline problems as the children did seem to respect the leaders and minded us when they were corrected."

"The new game introduced to the children this summer was box hockey. They really enjoyed this activity, and would eagerly await to get started with the two sets of this game each morning."

"We were a little disappointed in the coverage given to the program by our local newspaper. Several articles that were submitted were not printed until the last week of the program when they were lumped together in one article. A little more publicity on the part of the paper would probably be good for the program."

Cost of the program for the city was approximately \$1,007.16 with \$900 of that going to the directors and assistants, Nelda Morin and Dale Duncan. The remainder went for supplies.

Floresville won district in 1972

the old-standby "Texas Football" poll. Others worthy of note are back, Jeff Stevens and Dennis Ramirez, and linemen John Burleson, Ronald Tejeda, David Walpole and Robert Guerra.

The team is uniformly big, and while there are no real man-mountains on the squad, they weigh a fairly even 175-180 pounds.

A year ago, they narrowly missed spoiling the Owls opening game, losing 27-26. Following that loss, they went on to compile an 8-3 record,

losing to Mathis in bidistrict.

This year they're picked third in a strong district, but don't be fooled by pre-season picks. The Tigers competed well in 3-A classification, two years ago, and they've got spirit.

Offensively, they prefer the flashy Houston Veer option series, using two tight ends and a flanker, sometimes a split end. With two running backs, their repertoire includes the quick pitch, veer, option, and counter series.

Coch Coach Bohls calls them "big and strong", but he left out two very telling words -- "District Champions". They're the champs until someone over there knocks them off, and they'll play like champs Friday night.

"THE BEST DEAL IN TEXAS"

SPORT FACTS

By Ralph

The Hondo Owls won a Regional Championship in 1932 coached by Flory and Broxton. August Finger was captain of the Owls that year.

Hondo is picked about second or third on all pre-season lists this year. Pearsall has been put on the spot by being picked to win District 28-AA.

Of sports with timed events, the briefest recognized for official record purposes is the quick draw in shooting in which electronic times down to 0.06 of a second have been recorded.

Presented by E. R. LEINWEBER CO. 1710 Ave. M 426-2443 Hondo, Texas.

Medina County well represented in Texas Folklife Festival

A total of 16 persons from Medina and Atascosa Counties will participate in the second annual Texas Folklife Festival to be held September 6-9 in San Antonio.

This year's festival will again be staged by the University of Texas at San Antonio Institute of Texan Cultures on 15 acres at HemisFair Plaza to show how Texans traditionally have fun.

Area festival ambassadors are Dr. Ben L. Parker, Pleasanton; and Joe E. Briscoe, and Mayor S. R. Malone of Devine.

Residents of Atascosa and Medina Counties will be part of 2,000 participants for the four-day event.

A partially constructed Pioneer Log House will be completed at this year's festival with rancher-contractor, Arnold Griffin, of Devine, in charge of the construction.

Shingle maker Arthur Killough, Devine; log cabin builder Jack Jones, Devine; ax man Rick Smith, Christine; caulkers Roberta and Ruthie Griffin, Devine; saw filer Imon McCain, Devine; shingle splitters, Howard Hicks, Devine, and Bob Boone, Pierce, will complete the log house under Griffin's direction.

Seven-year old Harlen McDonald and Mrs. Arnold Griffin, Devine, will help with chores while the work goes on.

In frontier days, impromptu entertainment was the order of the day for relaxation after strenuous labors and the scene will be re-enacted by Griffin on the bass fiddle; Bruce Roark, Devine, on the fiddle and banjo, and Imon McCain on the guitar.

Roark will also demonstrate how to make musical instruments and the use of the divining rod. Frontier games and contests will be going on around the area and a rail splitting contest will be conducted.

Mrs. Charles B. Suehs, chairman, and Mrs. Barbara Tondre, co-chairman, of St. Louis Day Celebration, Castroville, will add a touch of French cuisine to the festival by fixing "paresa," a delicacy of chopped sirloin, onions, cheese, and lemon juice served on crackers with hot peppers and garlic.

She will also direct the Alsatian card pitching game, one of several games to be featured.

Over 75 participants are expected in the corn shucking and shelling bee directed by Glenn Bragg, Hondo.

Sherrille Stroud, blacksmith of Devine, will make branding irons. He will also be in charge of the horseshoeing contests between Texan Blacksmiths. His grandson, Steven Stroud, will pit his skill as a blacksmith against other Texan Blacksmiths at the festival.

Dr. Ben L. Parker, Pleasanton, will be working on the Longhorn exhibit, a corral built by the Texas Longhorn Breeders Association, which will maintain a display of bulls, cows, steers and calves. He will be among other cattlemen on hand to answer questions concerning Texas Longhorn cattle.

At this state-wide shindig, festival visitors will be able to taste the foods of 23 different nations, enjoy the music and dances of over a dozen folk groups, try their skills at rail-splitting or Belgian bowling, or visit exhibits from Indian Herbs to Irish artifacts.

The Festival anticipates attendance of 100,000 plus participation of over 2,000 from 119 communities throughout Texas. It will be open from 5 p.m. to 11 p.m. Thursday and Friday, Sept. 6-7, and from 1 p.m. to 10 p.m. Saturday and Sunday, 8-9.

Porcelain Enamel GOURMET COOKWARE

This EXCLUSIVE DECORATOR Cookware Cooks As Good as it Looks!

COLLECT A FULL 16 PIECE SET OR LESS . . .

You'll love the light hearted gaiety of cooking with Porcelain Enamel Gourmet Cookware. Exclusive, one of a kind decorator designs—Monaco, a sophisticated avocado and Monterey, a peppy pappy have a fine, slick as glass porcelain cooking surface that's been fired on extra heavy stainless steel for fast, even cooking and even faster clean up. Bright, bold and beautifully designed to help you cook your best while you brighten up the kitchen scene.

Kindergarten policy on record

The policy on kindergarten classes, as required by state law, has been announced for the Hondo Independent School District by Supt. Kenneth Flory.

"Our board approved this policy at the special meeting on July 31," Flory said.

Governing the admittance of kindergarten children not fluent in the English language the policy reads:

"For kindergarten age children without an English speaking background, the elementary principal where these kindergarten children attend shall determine the English speaking ability of all kindergarten students by conducting a personal interview at his first opportunity. This can include all registration days and includes the first week of school.

"In the case of economically disadvantaged children, a parent or guardian must certify in writing that their family income is below \$3,000 per year. The elementary principal will file this certificate in the student's permanent record file for agency audit."

Recent guests in the home of Mrs. Reily Carle and Mrs. Bernice Finger were Marilyn Finger and Chuck Ballard of Houston and Mr. and Mrs. James Finger and children, Jay, Ken and Shelly, of Duncanville. The Finger family accompanied by Mrs. Carle and Mrs. Bernice Finger, spent two days vacationing at Con Can.

Mrs. Adam Weynand is home after spending a week in Childress with her daughter and her family, the Bill Deans. The Dean family accompanied Mrs. Weynand home for the weekend where they visited his parents, the Lewis Deans and other relatives.

Mrs. Louis Carle, Mrs. Sam Zerr and Mrs. Bud Guinn of Hondo visited in the home of Mr. and Mrs. Harry Burnet and Miss Eleanor Carle in San Antonio last Thursday.

Mrs. Herman Ney accompanied Mrs. Volney Boon and her brother, Charles Finger, to Amarillo last weekend where they attended the wedding of Miss Emmy Dyess and Kenneth Douglas. Mrs. Corine O'Neill also accompanied the group and visited her son, Patrick O'Neill and family.

Mr. and Mrs. Wayne Cheney and family motored to Monterrey, Mexico for several days last

week. Places of interest visited were Horse Tail Falls, Garcia Cave, Bishop's Palace and Chipinque Mountain.

Guests in the Dean Dodgen home during the past week were Mr. and Mrs. James Lott and son, Gordon, of Bastrop. Mrs. Lott and son remained for the week. Others who visited were Mr. and Mrs. Tom Dodgen and Steven and Melissa of Seguin, and friends.

Miss Mary Sue Dodgen visited in San Antonio during the weekend with Lee Tate.

Mrs. Louis Carle, Mrs. O. W. Tondre, Mrs. Joe Mueller, Mrs. Sam Zerr

and Mrs. Bud Guinn of Hondo spent Tuesday in Piedras Negras, Mexico.

Mr. and Mrs. Louis Lutz are home after a five-day vacation spent in Dallas as the guests of Mr. and Mrs. Bernard Rust and family. Mr. and Mrs. William Lutz accompanied them and spent their time at Grand Prairie visiting their children, the Rodney Freeman family, and Mrs. Melvin (Joan) Pack and family.

Mr. and Mrs. Sam Zerr attended the Sparger-Henzenbuehler wedding in San Antonio on Saturday evening.

Mr. and Mrs. Arthur Nester accompanied Mr.

and Mrs. Francis Koch of San Antonio to Grand Prairie where they visited the Jon Francis Koch family for several days.

Mr. and Mrs. Pat Ney and Nicole returned to their Houston home after spending the week at Garner State Park and en route visiting in the homes of the Lawrence Carles and Mrs. Martin Ney and family and other friends and relatives.

Mr. and Mrs. Jake Weynand and Leona spent the weekend at Port Arthur as the guests of Mrs. Weynand's brother and his wife, Mr. and Mrs. Frank John. They also visited the James Morgan family at Port Neches.

Electric meeting speakers say 'low cost power at an end'

More than 700 of the state's rural electric cooperative leaders met August 8-10 in Houston to discuss future problems and solutions to the shortages of energy in the state and nation.

The occasion was the 33rd annual membership meeting of the Association

of Texas Electric Cooperatives -- this year with the timely theme of "Achieve the Impossible ... Again!"

In a major convention speech, Jim Langdon, chairman of the Texas Railroad Commission, laid the blame for petroleum shortages squarely on the U.S. Congress.

Just as with farmers who recently had to kill baby chicks, the oil industry has been burdened with rising costs which exceed the government-fixed prices nationwide that it can charge for its product, Langdon said.

But the most far-reaching implication of the fuel predicament, Langdon added, is that fuel consumers have reached the end of an era of low-cost power as our traditional energy sources dwindle in this country.

Charles Robinson, engineer with the National Rural Electric Cooperative Association in Washington, D.C., took issue with Langdon and put most of the fuel shortage blame on the oil industry itself.

"The oil companies are making more profit this year than earlier, so to demand a 10-cent hike in gas prices shows little concern for the welfare of the public in general," Robinson said.

He agreed, however, with Langdon that low-cost energy is no more. The change from an energy based on use of petroleum products to one based on coal and nuclear

power must come within the next 20-30 years, the engineer added. He cited fusion nuclear energy as the ultimate answer.

Another major speaker, Robert L. Armstrong, commissioner of the Texas General Land Office, pointed to another critical roadblock in the energy shortage problem, namely red tape from governmental regulatory bodies.

"The government has a vital role to play in assuring both adequate supplies of energy and protection of the environment, but it must do both with the utmost speed so neither side will be left hanging in mid-air," Armstrong said.

Voting delegates to the TEC annual meeting recommended several solutions to the energy crisis in a resolution calling for massive research and development of the fast breeder nuclear reactor. The resolution also called for prompt installation of the Alaskan gas and oil pipelines and for the open development of the nation's coal as electricity-producing resources.

In another resolution, delegates urged the expansion of Rural Water Supply Corporations in Texas to meet the water needs of rural residents. They also promised support for Amendment Number 1 on the November 6 special election which would raise salaries for state legislators.

PCA directors attend meeting

Production Credit Association directors and managers from all over Central Texas gathered in Kerrville's Inn of the Hills Friday, August 17, to hear one of the nation's top leaders in the field of director responsibility.

Dr. Vernon E. Schneider, past president of the American Institute of Cooperation, will outline director duties to the more than 75 participants. Schneider presently is the Roy B. Davis Distinguished Professor in Agricultural Cooperation at

Texas A&M University.

N. B. Willey, president of Uvalde Production Credit Association, host association, said the seminar is designed to specifically meet the needs of Association directors, with emphasis on responsibilities, and decision analysis. Director participants from the Uvalde PCA area include Leslie Laffere, Uvalde; Lloyd Hardt, Hondo; James Bader, Brackettville; Henry Fisher, Utopia; and John F. Carson, Barksdale. Willey will accompany the group.

Three get degrees at San Marcos

SAN MARCOS -- Three Hondo area residents were among the 733 students who applied for degrees awarded in twin ceremonies held Saturday, August 18, at Southwest Texas State University.

The local students receiving degrees included Clyde R. Herrmann, Sherrill Ann Nester and Pamela M. Stein.

Herrmann is the son of Mr. and Mrs. D. Herrmann of Box 98, D'Hanis. He received a bachelor's degree in business administration.

Mrs. Nester is the daughter of Mr. and Mrs. H. Moehring of 1107 17th St., Hondo. She received a bachelor of science degree in education.

Miss Stein is the daughter of Mr. and Mrs.

A. Stein of Rt. 1, Box 43, Rio Medina. She received a bachelor of science in education degree.

Edward Heilig makes Honor Roll

Edward Heilig was one of 712 students to graduate from Texas State Technical Institute in Waco this summer.

Heilig held the highest grade of his Dental Laboratory Technology class, and made the President's Honor Roll throughout his course.

He is married to the former Brenda Koch, and they have an eight-month-old son, Brent.

Hondoans assist in Alaska mock war-Ember Dawn

HQ AAC, Elmendorf AFB, Alaska -- Reserve Forces with C-130 Hercules aircraft are providing tactical airlift support for combatant armed forces waging mock war in the Alaskan interior.

Called "Ember Dawn V", the field exercise is designed to train air and ground forces in the defense of primary installations in Alaska.

In the play of the exercise, Air Force Reserve and Air National Guard tactical airlift units were mobilized to help the Alaska-based forces repel an invading enemy force in Central Alaska.

Three of the participants are Hondo residents. They are Maj. Norman E. Buescher, SSgt. Harold E. Kelly and SSgt. Denis C. Mann. They are members of the 433rd Tactical Airlift Wing (Alamo Wing) of San Antonio.

The ALCOM commander requested air and ground augmentation forces from the lower 48 to help in the Alaskan defense. Included in the augmentation were ten C-130 Hercules from the Reserve and Guard, together with 250 support personnel. Four of the aircraft came from the 921st and 922nd Tactical Airlift Groups at Kelly AFB, Texas, while two came from the 924th Tactical Airlift Group at Ellington AFB, Texas. The three groups comprise the 433rd Tactical Airlift (Alamo) Wing, which has its headquarters at San Antonio.

Air National Guard units in Tennessee, North Carolina and Delaware furnished the additional four aircraft.

All ten aircraft, with support personnel, left their home stations on August 9, rendezvoused in Sacramento, Calif., that night, then came the rest of the way to Anchorage as a Reserve Force unit the following day.

All of the air reservists were briefed on the scenario's deteriorating

military situation in Alaska and began almost immediately to fly relief to the Alaskan interior in the form of a simulated Army airborne brigade.

To date they have conducted an airlift involving 650 personnel and 270 tons of equipment -- jeeps, trucks, trailers, ambulances, food, and artillery.

Not taking sides, the tactical airlifters are supporting both the aggressor force and the "friendly". Yesterday, they dropped 120 enemy paratroopers into the exercise area and, today, they will drop an equal number of friendlies, with heavy equipment.

The exercise is expected to continue through next Saturday, with friendly forces taking the brunt of the attack until an augmentation division (simulated) can arrive from the lower 48. The friendly forces will then successfully execute a holding action. The exercise "problem" will then be halted and the players returned to their home stations.

For the Reserve Forces' C-130, this signals the last phase of the mock war "Ember Dawn V", that of getting the men and equipment back to Anchorage, and their own aircraft and personnel back to home stations.

Ember Dawn V is described as the most ambitious military exercise ever staged in Alaska. In land area alone, it covers 2,200 square miles. Col. Richard E. George, commander of airlift forces, said that in his opinion the performance of the Reserve Forces will determine the success or failure of Ember Dawn V. "This puts us in an extremely important position," he said. "It gives us an opportunity to demonstrate once again what a viable, capable, and professional associate and active Air Force has in the Reserve Forces."

Czech List of Sights To See

This view over the rooftops of Prague's Old Town and the gem-like Square of the Knights of the Cross emphasizes that Prague is a treasure trove of architecture spanning the ages of Gothic, Renaissance and Baroque.

In Prague Franz Kafka cast his giant shadow and Goethe was moved to say "Prague is the most precious jewel of all in a crown of cities." Now in this age of Aquarius, we can take a step backwards into time, and Czechoslovak Airlines can take you New York/Prague three times a week.

But Czechoslovakia is more than Prague. It can be the beginning or end of your trip through Eastern Europe. In the geographic heart of Europe, it is bordered to the south by Austria and Hungary, to the

east the Soviet Union, to the north, Poland and East Germany and to the west, West Germany. About a third of the country is mountainous and Eastern Bohemia's Giant Mountains boast excellent ski resorts.

Czechoslovakia offers the tourist a full range of attractions--an architectural kaleidoscope of history and a wonderland of natural beauty and hospitality.

The country is a land of spas. It is known to hunters as "the hunting ground of Europe." It is easily accessible from all European countries by road, rail and air. Why, in the time it takes to fly from New York to Washington, D.C. you can fly from Paris or Amsterdam to Prague. Visas are issued within 48 hours through the Czechoslovak Embassy in Washington.

Hot, dry weather brings on 'pinkeye'

By GLENN BRAGG
Medina County Ext. Agent

Hot, dry summer weather can be a big pain in the eye for cattle. The reason is "pinkeye".

"Pinkeye is an infectious eye disease of cattle of all ages and breeds," says County Extension Agent Glenn Bragg. "However, younger animals under two years of age appear to be more susceptible than older ones."

The eye inflammation occurs most often in summer and fall and is generally more prevalent in white-faced animals. Dry, dusty conditions, bright sunlight, feeding in tall grass and the presence of flies all tend to aggravate the condition.

"The disease is caused, primarily by a bacteria," points out Bragg. "The eyelids swell and a watery

discharge increases and thickens. The white of the eye becomes inflamed and a white, gray spot appears near the center of the eye. This spot swells and later opens to form an ulcer."

Affected animals are sensitive to light and generally stand in shade. They lose weight quickly, suffer production decreases and may injure themselves because of temporary blindness.

Although the disease generally runs its course in two to four weeks without much damage, secondary bacteria often invades and can cause permanent blindness. Therefore, treatment is important as soon as a case of pinkeye is suspected. However, a veterinarian should be consulted to diagnose the condition before treatment is begun since some eye infections result from viral causes and will not respond to antibiotics.

"Isolate affected animals as soon as possible and protect them from wind, dust and sunlight," advises Bragg. If possible, bathe the eye with a lukewarm, mild borax solution and dust with an antibiotic powder at least twice a day. This prevents a secondary infection and allows the eye to recover without complications. Eye patches also help shorten recovery time. Although no specific drug is available to treat pinkeye, injections of Vitamin A and a cortisone product have helped in some cases."

The agent advises cattlemen to isolate for at least 60 days all new animals brought into the herd. Cattle that have recovered from pinkeye may still be capable of spreading it for some months.
